With an average of 640 students divided among 30 classrooms, NHE stakeholders work daily to achieve the school’s mission statement of providing excellence in education and learning for all students in a safe environment

The Single Gender Program continues to garner positive results for the ninety-eight students enrolled in this initiative. Students are also provide opportunities to excel in our related arts program, which includes music, art, physical education, career and guidance, computer lab/technology, and media skills.

Teachers utilize many sources of data, including formal and informal assessments, to set high expectations for all students. First and second grade students are given the Dominie reading assessment three times a year, as well as periodic benchmark assessments in math and science. Third through fifth grade students are assessed utilizing Measures of Academic Progress (MAP) three times a year which assists teachers in developing individual growth plans for students. Students have opportunities to work at their instructional level to meet their goals through the use of whole class instruction, computer assisted instruction, and small group sessions.

All North Hartsville Elementary faculty, staff, parents, community members, and business partners work closely together to encourage each child to demonstrate good character and to be successful academically, physically, and emotionally.
